

**SAVE MONEY \$\$ EXTEND THE LIFE
OF YOUR ROOF UP TO 5 YEARS OR MORE!**

FEATURES AND BENIFITS

Vital Coat® Shingle Shield™ with proprietary PosiCoat™ technology is designed to provide protection to aged shingles adding additional value and life to your shingles.

Applying to your roof will create a strong protective barrier that will shield from harsh weather conditions and protect from further granule loss and degradation.

Unlike other 100% acrylic products, Vital Coat Shingle Shield™ will not yellow, peel or flake over time.

Designed for the DIYer, Vital Coat Shingle Shield™ can save you thousands of dollars over replacing your roof and extend the life of your roof up to **5 Years or more !**
